

Name: _____

Science Project Due Dates and Grading

You are expected to keep a folder on your google drive for your science fair project. You will also be expected to keep a composition notebook. Each part is due at the beginning of class and emailed to your teacher. Since these dates are known well in advance, absence is not an excuse for not turning in the assignment late. Late = 0 points

<u>Due Date</u>	<u>Assignment</u>	<u>Point Value</u>
September 5-6, 2017	Project Title/Idea	5 points
	Parent Acknowledgement Letter	5 points
September 20-21, 2017	Idea Proposal	10 points
	Problem Statement	
September 28-29, 2017	Research & Bibliography (Min 9 References)	25 points
October 4-5, 2017	Experimental Design	20 points
	Hypothesis, Procedure, Material	
October 18-19, 2017	Log Book Check	5 points
November 1-2, 2017	Research Notebook Logbook	5 points
	Dated records/organization Data Table/ Graphs	
November 13-14, 2017	Paper Rough Draft (Per Review)	15 points
	<ul style="list-style-type: none">● Cover Page & Table of Contents● Science Question● Purpose● Background information● Hypothesis● Variables (IV/DV/Controlled)● Materials (metric)● Procedure● Bibliography	
	<ul style="list-style-type: none">○ Data: Organization of data tables, graphs, and/ or charts○ Sufficient samples or observation○ Analysis and conclusion<ul style="list-style-type: none">▪ Results▪ Comparison with hypothesis▪ Defend with data▪ Error and their effect on reliability of results	
November 16-17, 2017	Draft (Teacher Review)	25 points

December 4-5, 2017

Poster Board	20 points
Oral Presentation	30 points
Final Paper	50 points
Notebook (Dated records and organization)	10 points
Data: Organization of data tables, graphs, and/ or charts	20 points
Sufficient samples or observation	
Analysis and conclusion	15 points
Results, Comparison with hypothesis Defend with data Error and their effect on reliability of results	

Total Points: _____
260 points
